

Out of State Applicant Acknowledgement

Positions represented by Public Employees Local 71 fall under a local hire provision with the State of Alaska. We therefore may only refer applicants currently living in the area where a position is available. This gives first opportunity to the local community for any jobs that should become available.

In order to be called for a position in a specific location you must provide us with a local mailing address and phone number (may be out of state if it is a cell phone). All licenses must be State of Alaska with the following exceptions:

Flagger's certificate

Electrical Certificate of Fitness may be reciprocal depending on the state of origin

If you do not currently have an address in the State of Alaska, but would like to be placed on the Employment Referral Program (ERP) list, you will be placed on Will Call status until such time as you secure a residence within the state. This will secure your date of seniority. You will need to select a location where you intend to reside. This will be the list you will be placed on. If you change lists at any point for any reason you will be placed at the bottom of that list effective the date of the change.
